1-8 RETIRED EMPLOYEES ASSOCIATION OF ORANGE COUNTY – ISSUES UPDATE
Presentation by Linda Robinson and Doug Storm, Co-Presidents, REAOC

Doug Storm and Linda Robinson updated the OCERS Board on retirees’ concerns as well as suggestions they would like OCERS to consider in 2018. They asked if OCERS staff can explain how the system really works to the retirees in laymen’s terms. In their monthly newsletter, REAOC would like to highlight one of the OCERS Board Members in order to allow retirees to get to know the individuals on the OCERS Board better. Lastly, Mr. Storm and Ms. Robinson asked if the OCERS by the Numbers document broke out general member statistics in such a way that line staff benefits were more clearly understood compared to highly payed general members such as attorneys and doctors. Mr. Delaney stated he would look into that possibility when preparing the next edition.

Ms. Prevatt asked how retirees feel about OCERS online experience and if OCERS can do anything different.

Mr. Storm stated there’s a drastic split in approach to computers among retirees. Some refuse to use a computer while others are more than willing to use computers.

1-9 OPERATIONAL RISK MANAGEMENT PRESENTATION
Presentation by Brenda Shott, Assistant Chief Executive Officer of Internal Operations and Jim Doezie, Contracts Administrator.

Ms. Shott and Mr. Doezie summarized the OCERS Operation Risk Management Program that will be going into effect in 2018. This program is to ensure that OCERS is managing risk within the organization on an enterprise-wide basis.

Mr. Ball stepped out at 10:47am

Mr. Ball returned at 10:51am

Mr. Prevatt encouraged staff to add line staff into the process as that will allow for identifying risk factors where otherwise it would be difficult to recognize.

Mr. Ball stated that he would like the Audit Committee to be involved in this process. He would also like a practical live test to be conducted once a year to measure risk and to see if the disaster recovery and business continuity plan that has been put in place works.

Board recessed for break at 10:56a.m.
Board reconvened from break at 11:05a.m.
A-1  INDIVIDUAL ACTION ON ANY ITEM TRAILED FROM THE CONSENT AGENDA

I-5 - EXPLANATION OF THE CALIFORNIA GIFT REPORTING RULES

Ms. Freidenrich clarified that due to her position as Treasurer, she must follow the more restrictive County limitation reporting rules and guidelines in regards to the gift reporting rules, a requirement not placed on other Trustees.

I-6 - RVK PUBLIC FUND UNIVERSE ANALYSIS REPORT

Mr. Packard asked Mr. Delaney how OCERS stands on the RVK report.

Mr. Delaney stated that in general, 2017 was a good year.

Ms. Murphy added that a high point for OCERS were the real estate holdings.

A-2  ELECTION OF BOARD VICE-CHAIR

Presentation by Steve Delaney, Chief Executive Officer, OCERS

A motion was made by Mr. Lindholm seconded by Mr. Prevatt to nominate Charles Packard as the new OCERS Board Vice-Chair for calendar year 2018.

Motion passed unanimously.

The Board recessed for lunch at 12:01p.m.
The Board reconvened from lunch at 1:01p.m.

A-3  GOVERNANCE COMMITTEE OUTCOMES REGARDING REFORM OF THE ADMINISTRATIVE HEARING PROCESS

Presentation by Gina M. Ratto, General Counsel, and Lee Fink, Deputy General Counsel

Recommendation: The Governance Committee approved, and recommends that the Board of Retirement consider on a first reading, the following:

(1) Creation of a Disability Committee;
(2) The Disability Committee Charter;
(3) The Adjudication Policy and Administrative Hearing Rules for Disability and Non-Disability Benefits to supersede and replace the existing Administrative Hearing Procedures Policy and OCERS Administrative Procedure on Appeals; and
(4) Revisions to the Hearing Officer Selection Policy.
Ms. Ratto presented the Board with the Governance Committee’s recommendations to revise the OCERS appeals process. She presented the proposed Adjudication Policy and Administrative Hearing Rules (Disability and Non-Disability Retirement Benefits), Hearing Officer Selection Policy, and Disability Committee Charter.

Ms. Ratto explained the Governance Committee’s process for devising these. The Legal staff has been working on this for several months, and the Governance Committee had three meetings with substantial discussions in September, October, and November. The final product includes the policy documents before the Board and the plan for implementation following the Board adoption. Ms. Ratto explained that the Governance Committee had recommended that the proposal be brought to the Board for a “first read” so that the staff could take input from the Board now as well as solicit input from stakeholders in the process.

Ms. Ratto commented that the new process, once approved by the Board, could be implemented as soon as June 2018.

Board members raised numerous questions and issues for staff to consider and respond to:

1. What can we learn from other CERL systems to improve our process?
2. How many members should the Disability Committee have?
3. Should the Disability Committee have two elected members and one appointed member?
4. Should the membership of the Disability Committee be defined in the charter?
5. How does the “on-call” alternate member of the Disability Committee work?
6. Should there be a prohibition on Disability Committee members discussing disability applications with Board members?
7. Would there be training for Disability Committee members?
8. Will meetings of the Disability Committee be subject to the Brown Act?
9. How frequently will the Disability Committee meet?
10. Should the Disability Committee have a member that is not a Board member—perhaps a medical professional?
11. Should the Chair or Vice Chair of the Disability Committee be Non-Voting members of the Hearing Officer Selection Panel?
12. Should the member on the Hearing Officer Selection Panel be a non-Disability Committee member?
13. Should OCERS forego its own peremptory challenge of Hearing Officers?
14. Does Closed Session slow down the process?
15. Can Plan Sponsors be included in the Closed Hearings?
16. How would the logistics of the closed hearing be handled—e.g., people waiting for next Closed Session item?
17. What level of information is going to be sent or available to the Board from the Disability Committee?
18. Should there be a shorter time to appeal denials of disability applications?
19. Should there be a shorter (30 day) time period for members to appeal non-disability benefit determinations?
20. Does having the appeals go from Disability Committee to an Administrative Hearing really save time?

Staff was given direction to respond to these questions and any other issues raised during the effort to solicit feedback and report back to the Board at its next meeting.
Following discussion, a motion was made by Mr. Eley, seconded by Mr. Prevatt to approve the Governance Committee recommendation of the following on a “first reading” basis, to schedule further discussion and possible adoption of the proposal at the next Board meeting, and to direct staff to solicit feedback from stakeholders on the proposal.

(1) Creation of a Disability Committee;
(2) The Disability Committee Charter;
(3) The Adjudication Policy and Administrative Hearing Rules for Disability and Non-Disability Benefits to supersede and replace the existing Administrative Hearing Procedures Policy and OCERS Administrative Procedure on Appeals; and
(4) Revisions to the Hearing Officer Selection Policy.

Motion passed unanimously.

A-4 OCERS’ INTERNAL REVENUE CODE SECTION 415(M) AMENDED AND RESTATED REPLACEMENT BENEFIT PLAN
Presentation by Gina M. Ratto, General Counsel and Joe Fletcher, Counsel

Recommendation: Adopt an Amended and Restated Replacement Benefit Plan for OCERS, as an employer, to further document and supplement existing policies and practices of OCERS as an employer and retirement system administrator governing the payment of retirement benefits to OCERS members that are otherwise capped by Internal Revenue Code section 415(b).

Ms. Ratto explained OCERS’ Internal Revenue Code (IRC) section 415(b) (Section 415(b)) as it imposes a cap on the amount of retirement benefits that can be paid to governmental plan retirees.

In 2004 and 2005, OCERS staff engaged with OCERS’ participating employers to draft and implement internal procedures to ensure compliance with the 415(b) Limit and Section 31899.4. In January 2006 OCERS adopted a detailed 415(b) Policy & Operational Process (the “415(b) Policy”) designed to ensure that the retirement benefits paid by OCERS will conform to the 415(b) Limit.

Although staff believes a strong argument can be made that the 415(b) Policy constitutes acceptable written documentation of OCERS’ replacement benefit plan, staff and external tax counsel recommend, out of an abundance of caution, that OCERS, as an employer, formally adopt an Amended and Restated Replacement Benefit Plan (Plan), that is separate from the 415(b) Policy.

Following discussion, a motion was made by Mr. Dewane seconded by Mr. Ball to adopt an Amended and Restated Replacement Benefit Plan for OCERS, as an employer, to further document and supplement existing policies and practices of OCERS as an employer and retirement system administrator governing the payment of retirement benefits to OCERS members that are otherwise capped by Internal Revenue Code section 415(b).

Motion passed unanimously.

Recommendation: Adopt the Hearing Officer’s Proposed Findings of Fact, Conclusions of Law, and Recommended Decision of July 7, 2017 (“Findings”) with the exception of Proposed Conclusion of Law Number 3 and the legal argument supporting that conclusion; Adopt as an alternative Conclusion of Law that “For purposes of Government Code section 31724, ‘regular compensation’ does include payments resulting from other employees’ voluntary donations of catastrophic leave time” and adopt the legal argument in this memorandum as support; Fix as November 1, 2013 the effective date for Applicant’s disability benefits.

Ms. Freidenrich asked staff explain the catastrophic leave time and how it relates to regular compensation. She asked how other agencies operate the catastrophic leave program.

Mr. Fink elaborated on the catastrophic leave program.

Mr. Ball asked if there’s a financial impact to compress the period of time.
