DATE: January 25, 2018
TO: Members of the Governance Committee
FROM: Gina M. Ratto, General Counsel
SUBJECT: TRIENNIAL REVIEW OF THE TRAVEL POLICY

Recommendation

Approve, and recommend that the Board of Retirement approve, revisions to the Travel Policy.

Background/Discussion

The Board of Retirement (including the Investment Committee) has formally adopted over 40 charters and policies and has established a review schedule that requires review of every charter and policy every three years. At its February and June 2015 meetings, on recommendation of the Governance Committee, the Board approved a streamlined procedure to more efficiently manage the scheduled review of the charters and policies. Pursuant to this process, certain of the charters and policies are to be first reviewed by the Governance Committee before presentation to the Board for approval.

The Travel Policy was adopted by the Board on December 16, 2002, and was last reviewed and revised on November 16, 2015. It is scheduled for review and approval by the Board, after review by the Governance Committee, in 2018.

Travel Policy

Staff has reviewed the Travel Policy and recommends the following revisions:

1. Add to paragraph 10, which is the list of conferences that are pre-approved and unlimited in the number that may be attended, conferences sponsored by firms that have contractual relationships with OCERS.
2. Add to paragraph 14, which is the list of conferences that are pre-approved, but limited to three in any one year if overnight travel is required, several conferences including those sponsored by:
   a. Public Retirement Information Systems Management (PRISM);
   b. Investment Management Consultants Association (IMCA);
   c. SuperReturn;
   d. Global ARC;
   e. CIO Magazine;
   f. Institutional Limited Partners Association (ILPA); and
   g. Falk Marques Group.
3. Add to paragraph 31, language to clarify that OCERS will reimburse Board and staff members only up to the cost of a coach or economy class airline ticket.
4. Make several non-substantive and clarifying amendments.
The revisions are set forth in underlined/strikeout text in the attached copy of the policy.

Purpose

1. Prudent oversight of a public sector pension plan requires that trustees and staff occasionally travel to business meetings and educational conferences or seminars, held in or outside of the state of California. Travel and related costs incurred in doing so not only represent legitimate expenses of the plan, but are a sound investment in the ongoing success of the organization in meeting the needs of the membership.

2. The purpose of the Travel Policy is to encourage and facilitate the pursuit of relevant educational and business related initiatives by trustees and staff. The policy is designed to assist them in meeting their fiduciary duties to administer the pension plan, ensure that expenditures incurred in the education and travel process are prudent and cost-effective, and to mitigate the risk of improprieties arising from travel or business related activities.

Content Requirements

3. As a general rule, and with the exception of public retirement system meetings discussed below, unless a conference/seminar agenda contains an average of five (5) hours of substantive educational content per day, attendance at the particular conference/seminar will not be approved and related travel expenses will not be reimbursed. Educational forums, conferences and seminars that routinely and consistently satisfy this requirement will automatically qualify for Board approval for attendance. The Chief Executive Officer will screen and determine those conferences or seminars that meet the five (5) hour requirement and provide a list thereof to the Board members and appropriate staff members. Authorization to attend and receive travel expense reimbursement for a client conference organized or sponsored by a single company or firm shall be restricted to those conferences/seminars sponsored by firms who have maintain a contractual professional relationship with OCERS. The Board of Retirement shall consider each request individually regardless of any Board or staff affiliation.

5. Except as otherwise provided herein, reimbursement of travel expenses for a Board member to attend an educational conference or seminar (or other type of meeting or event) requires the prior approval of the Board of Retirement.

6. All reimbursement of travel expenses for an employee of OCERS to attend an educational conference or seminar (or other type of meeting or event) or for administrative purposes requires the prior approval of the Chief Executive Officer or his or her designee.
5.7. Travel on OCERS’ business within the Southern California region by Board members or staff need not be approved in advance as long as overnight accommodations are not required. The Southern California region shall include the counties of Orange, Los Angeles, San Bernardino, Riverside, San Diego, Imperial, Ventura, Santa Barbara and Kern.

Limitation on Meeting for Business Purpose

13.15. The Chief Executive Officer shall provide newly elected or appointed Board members with a list of approved conferences scheduled to take place within the current calendar year.

Limitation on Attendance at Conferences and Seminars

14.16. A Board member is authorized to attend up to three approved events (i.e., conferences, seminars, meetings, or courses) that require overnight lodging at OCERS expense each calendar year. Attendance at the pre-approved events (i.e., conferences, seminars, meetings and courses) listed in paragraphs 8, 9, 10, 11 and 12 are not subject to the three-event limit imposed by this paragraph even if they require overnight travel.

15.17. b. second, if additional opportunities to attend remain available, make selections by lottery of other interested trustees, and  
c. third, designate the remaining interested trustees as alternate attendees, who may attend in the event the trustees originally selected are unable to attend.

International Travel and Travel Outside the Continental United States

17.19. Travel by Board members to a destination outside the continental United States requires pre-approval by the Board. Travel by staff to a destination outside the continental United States requires pre-approval by the Chief Executive Officer and notification to the Board Chair.
Travel Reports

18.20. The Chief Executive Officer shall submit a quarterly report on conference, seminar and educational course attendance by OCERS' expenditures covering Board Member and staff, and OCERS' cost of travel related to such events. Such reports shall identify the individual (Board Member or staff), location, purpose and cost of travel. The Board of Retirement will review these reports in January, April, July and October of each calendar year. The report also shall include scheduled travel for the ensuing quarter.

Report on Conference or Seminar

19.21. Board Members and staff who travel to conferences or seminars that are not automatically authorized in paragraphs 10, 11, 12 and 14 shall file with the Chief Executive Officer a report that briefly summarizes the information and knowledge gained that may be relevant to other Board Members or staff, provides an evaluation of the conference or seminar, and provides a recommendation concerning future participation. Reports by a Board Member or staff will be made on the Conference/Seminar Report form shown in the appendix. The Chief Executive Officer shall cause a copy of the report to be distributed to each Board Member and to the Chief Investment Officer.

Claims for Reimbursement

20.22. Reimbursement for travel by a Board member or staff shall be submitted on OCERS Expense Reimbursement Forms accompanied by all supporting original receipts or documentation of the expense incurred. The Board Chair shall approve expense claims for Board members and the Chief Executive Officer. The Vice Chair will approve expense claims for the Chair. The Chief Executive Officer or his or her designee will approve all expense claims for staff. All approvals are subject to ultimate review and concurrence by the Board of Retirement as part of the quarterly report process required in paragraph 2018.

Cash Advances

21.23. Cash advances will be provided upon request only for those conferences, seminars, meetings, and courses identified in sections 8, 9, 10, and 12 of this policy as pre-approved by the Board and Chief Executive Officer. Any and all cash advances for travel and training shall be requested through the Chief Executive Officer's office. Cash advances are subject to approval by the Chair of the Board of Retirement and the Chief Executive Officer. Notice of all cash advances for travel and training shall be placed on the Consent Agenda for the next Regular Meeting of the Board of Retirement as an informational item.

Time Limit for Expense Claims

22.24. Claims for reimbursement pursuant to this policy must be submitted within 30 days following return to Orange County. In no event will a claim for reimbursement be approved if submitted over 90 days after the end of the calendar year in which the expense was incurred.
Expenses for Traveling Companions

23.25. Expenses of family members and/or traveling companions are not reimbursable by OCERS.

Limitation on Time and Expense Allowance

24.26. Allowance for time and expense shall not exceed that which is reasonable and necessary as claimed by others to that precise destination whether by private automobile or common carrier. Expense reimbursements are limited to those items and amounts considered to be non-taxable income for the recipient by the Internal Revenue Service (IRS). Expense costs for extra days prior to or after a conference will be reimbursed only if such extension results in lower overall trip costs. For staff, cost comparisons for trip extensions shall include the cost of salary for any work days lost by the extension.

Travel and Lodging Cancellations

25.27. Board Members and staff are responsible for the timely cancellation of registration fees, travel and lodging reservations made on his/her behalf that will not be used, so that no unnecessary expense will be incurred by OCERS.

Meals

28. Board members and staff will be reimbursed for actual and reasonable expense of meals consumed while traveling on business, including non-alcoholic beverages, tax, and tip for meal service that does not exceed a reasonable percentage. A Board member or staff must provide both an itemized receipt and the summary payment receipt (when a payment card is used) for all meals. Any meal that exceeds $25.00 (excluding tax and tip).

29. In the event an itemized receipt is lost or is not available, a Missing Receipt Form must be completed and submitted with the expense reimbursement claim. The Missing Receipt Form includes a certification that only allowable items are included in the request for reimbursement. Claims for reimbursements submitted with a Missing Receipt Form will be limited to the lesser of the actual amount paid (evidenced by the summary payment receipt) or the applicable per diem meal rate as published in the Meals and Incidental Expenses schedule by the General Services Administration (GSA).

30. OCERS will not reimburse meals or expenses that would be considered taxable income to the recipient by the IRS. Meals purchased during one-day events with no overnight stay will not be reimbursed by OCERS unless there is a business purpose associated with the meal (e.g., business meeting conducted during the meal). The IRS considers meal expenses incurred during same-day travel, or meals away from tax home with no overnight stay, as taxable expenses.

Hotels

27.31. Actual expenses for economical and practical lodging will be reimbursed. Reimbursement will be limited to a room considered to be in a standard class. Whenever possible, a request for a government or conference rate will be made.
28.32. If, at the conclusion of a business-related trip, it would be impractical for a Board member or staff member to return home the same day and arrive home prior to 10:00 p.m. California time (due to the distance that must be traveled, or the unavailability of a return flight) or if the traveler’s work and travel time for the final day will exceed 12 hours, the Board member or staff member will be entitled to be reimbursed for one additional night of lodging.

Airline Travel

29.33. OCERS’ Board members and staff will use good judgment to obtain airline tickets at competitive prices. OCERS will not reimburse a Board or staff member to fly business or first class; however, for travel that exceed four hours in length, additional legroom seats or premium economy fees will be reimbursed. An individual may, at his or her own expense, pay to upgrade travel to business or first class.

30.34. If a significant savings can be realized on the airline fare by having a Board member or staff member extend their stay to include a Saturday night, the Board or staff member, at his or her option, may extend his or her stay in order to realize such savings. OCERS will reimburse the additional lodging and meal costs resulting from an extended itinerary, not to exceed the savings in airline fare.

Automobile Mileage

31.35. A Board member or staff member who uses his/her personal automobile for transportation on OCERS business will keep records of the actual mileage driven on business, and will report such mileage on an OCERS Expense Report Form and will provide documentation of the miles driven (e.g., copy of map and route). Reimbursement will be made at the per-mile rate allowed by the Internal Revenue Service. Mileage will be reimbursed for only those miles incurred beyond the staff member’s normal commute to his or her regular worksite (i.e., if an employee departs from or returns to his or her home instead of the regular worksite, only the mileage in excess of the normal daily commute will be reimbursed).

32.36. A Board member or staff member who elects to use his/her personal automobile for travel will be reimbursed for mileage to the point that does not exceed the cost of the most economical (least expensive) round-trip ticket between Orange County and the destination city.

Parking and Tolls

33.37. Parking and tolls will be reimbursed at current rates. A receipt is required for amounts over $25.00.

Public Transportation

34.38. Use of taxis, hired cars, shared ride services (e.g., Uber, Lyft, Sidecar) and public transportation for OCERS business will be reimbursed at current rates. The most economical mode of transportation should be used whenever practicable; however, use of a transportation provider with multiple stops (e.g., shuttle) is not required. Public transportation is preferred. A receipt is required for amounts over $25.00.
Car Rentals

35.39. The use of a rental car by a Board member or staff will be reimbursed when it is economically reasonable to rent a vehicle rather than use taxis, hired cars, shared ride services or public transportation. Rental car discounts must be used whenever possible and appropriate. If available, a compact vehicle will be requested, unless several Board members and/or staff will be using the vehicle together.

Incidental Business Expenses

36.40. Incidental business expenses reasonably incurred in connection with OCERS business, such as telephone, fax, Internet access, and similar business expenses, will be reimbursed. Receipts are required for all amounts.

Porterage/Housekeeping

37.41. Maximum reimbursement for porterage and housekeeping is $5.00 per day (cumulative) of travel. Receipts are not required for porterage or housekeeping expenses.

Excluded Expenses

42. The following expenses will not be reimbursed: Alcoholic beverages, tobacco, in-room movies, barber shop, beauty shop, gifts, magazines, personal telephone calls and mini-bar charges. In the case of an extended trip longer than five business days or an emergency situation, laundry and dry cleaning expenses will be reimbursed.

38.43. OCERS will not reimburse or pay for charges for attendance at or participation in networking, social or entertainment type events (e.g., golf, cocktail parties, excursions, outings, etc.) that are in addition to or not included in the general conference registration fee.

Gifts

44. FPPC regulations limit the ability of OCERS, individual Board Members and certain staff designated in OCERS’ Conflict of Interest Code are prohibited from receiving, and are required to report on their Forms 700, staff to accept gifts of travel, lodging and meals from third parties over certain amounts. Questions regarding whether the gift can be accepted and gift the determination of the FPPC reporting requirements shall be directed to the Chief Executive Officer or in conjunction with general counsel and communicated to the intended recipient of the gift.

   c. third, designate the remaining interested trustees as alternate attendees, who may attend in the event the trustees originally selected are unable to attend.

International Travel and Travel Outside the Continental United States

19. Travel by Board members to a destination outside the continental United States requires pre-approval by the Board. Travel by staff to a destination outside the continental United States requires pre-approval by the Chief Executive Officer and notification to the Board Chair.

Travel Reports

20. The Chief Executive Officer shall submit a quarterly report on conference, seminar and educational course attendance by Board Member and staff and OCERS' costs related to such events. Such reports shall identify the individual (Board Member or staff), location, purpose and cost of travel. The Board of Retirement will review these reports in January, April, July and October of each calendar year. The report also shall include scheduled travel for the ensuing quarter.
Report on Conference or Seminar

21. Board Members and staff who travel to conferences or seminars that are not automatically authorized in paragraphs 10, 11, 12 and 14 shall file with the Chief Executive Officer a report that briefly summarizes the information and knowledge gained that may be relevant to other Board Members or staff, provides an evaluation of the conference or seminar, and provides a recommendation concerning future participation. Reports by a Board Member or staff will be made on the Conference/Seminar Report form shown in the appendix. The Chief Executive Officer shall cause a copy of the report to be distributed to each Board Member and to the Chief Investment Officer.

Claims for Reimbursement

22. Reimbursement for travel by a Board member or staff shall be submitted on OCERS Expense Reimbursement Forms accompanied by all supporting original receipts or documentation of the expense incurred. All expense claim forms will be reviewed and approved (or disapproved) in accordance with the provisions of this policy. The Board Chair shall approve expense claims for Board members and the Chief Executive Officer. The Vice Chair will approve expense claims for the Chair. The Chief Executive Officer or his or her designee will approve all expense claims for staff. All approvals are subject to ultimate review and concurrence by the Board of Retirement as part of the quarterly report process required in paragraph 20.

Cash Advances

23. Cash advances will be provided upon request only for those conferences, seminars, meetings, and courses identified in paragraphs 10, 11, 12 and 14 as pre-approved by the Board and Chief Executive Officer. Any and all cash advances for travel and training shall be requested through the Chief Executive Officer. Cash advances are subject to approval by the Chair of the Board of Retirement and the Chief Executive Officer. Notice of all cash advances for travel and training shall be placed on the Consent Agenda for the next Regular Meeting of the Board of Retirement as an informational item.

Time Limit for Expense Claims

24. Claims for reimbursement pursuant to this policy must be submitted within 30 days following return to Orange County. In no event will a claim for reimbursement be approved if submitted over 90 days after the end of the calendar year in which the expense was incurred.

Expenses for Traveling Companions

25. Expenses of family members and/or traveling companions are not reimbursable by OCERS.

Limitation on Time and Expense Allowance

26. Allowance for time and expense shall not exceed that which is reasonable and necessary as claimed by others to that precise destination whether by private automobile or common carrier. Expense reimbursements are limited to those items and amounts considered to be non-taxable income for
the recipient by the Internal Revenue Service (IRS). Expense costs for extra days prior to or after a conference will be reimbursed only if such extension results in lower overall trip costs. For staff, cost comparisons for trip extensions shall include the cost of salary for any work days lost by the extension.

Travel and Lodging Cancellations

27. Board Members and staff are responsible for the timely cancellation of registration fees, travel and lodging reservations made on his/her behalf that will not be used, so that no unnecessary expense will be incurred by OCERS.

Meals

28. Board members and staff will be reimbursed for actual and reasonable expense of meals consumed while traveling on business, including non-alcoholic beverages, tax, and tip for meal service that does not exceed a reasonable percentage. Board members and staff must provide both an itemized receipt and the summary payment receipt (when a payment card is used) for all meals.

29. In the event an itemized receipt is lost or is not available, a Missing Receipt Form must be completed and submitted with the expense reimbursement claim. The Missing Receipt Form includes a certification that only allowable items are included in the request for reimbursement. Claims for reimbursements submitted with a Missing Receipt Form will be limited to the lesser of the actual amount paid (evidenced by the summary payment receipt) or the applicable per diem meal rate as published in the Meals and Incidental Expenses schedule by the General Services Administration (GSA).

30. OCERS will not reimburse meals or expenses that would be considered taxable income to the recipient by the IRS. Meals purchased during one-day events with no overnight stay will not be reimbursed by OCERS unless there is a business purpose associated with the meal (e.g., business meeting conducted during the meal). The IRS considers meal expenses incurred during same-day travel, or meals away from tax home with no overnight stay, as taxable expenses.

Hotels

31. Actual expenses for economical and practical lodging will be reimbursed. Reimbursement will be limited to a room considered to be in a standard class. Whenever possible, a request for a government or conference rate will be made.

32. If, at the conclusion of a business-related trip, it would be impractical for a Board member or staff member to return home the same day and arrive home prior to 10:00 p.m. California time (due to the distance that must be traveled, or the unavailability of a return flight) or if the traveler’s work and travel time for the final day will exceed 12 hours, the Board member or staff member will be entitled to be reimbursed for one additional night of lodging.

Airline Travel

33. OCERS’ Board members and staff will use good judgment to obtain airline tickets at competitive prices. OCERS will not reimburse a Board or staff member to fly business or first class; however, for
travel that exceed four hours in length, additional legroom seats or premium economy fees will be reimbursed. An individual may, at his or her own expense, pay to upgrade travel to business or first class.

34. If a significant savings can be realized on the airline fare by having a Board member or staff member extend their stay to include a Saturday night, the Board or staff member, at his or her option, may extend his or her stay in order to realize such savings. OCERS will reimburse the additional lodging and meal costs resulting from an extended itinerary, not to exceed the savings in airline fare.

Automobile Mileage

35. A Board member or staff member who uses his/her personal automobile for transportation on OCERS business will keep records of the actual mileage driven on business, and will report such mileage on an OCERS Expense Report Form and will provide documentation of the miles driven (e.g., copy of map and route). Reimbursement will be made at the per-mile rate allowed by the IRS. Mileage will be reimbursed for only those miles incurred beyond the staff member’s normal commute to his or her regular worksite (i.e., if an employee departs from or returns to his or her home instead of the regular worksite, only the mileage in excess of the normal daily commute will be reimbursed).

36. A Board member or staff member who elects to use his/her personal automobile for travel will be reimbursed for mileage to the point that does not exceed the cost of the most economical (least expensive) round-trip ticket between Orange County and the destination city.

Parking and Tolls

37. Parking and tolls will be reimbursed at current rates. A receipt is required for amounts over $25.00.

Public Transportation

38. Use of taxis, hired cars, shared ride services (e.g., Uber, Lyft, Sidecar) and public transportation for OCERS business will be reimbursed at current rates. The most economical mode of transportation should be used whenever practicable; however, use of a transportation provider with multiple stops (e.g., shuttle) is not required. A receipt is required for amounts over $25.00.

Car Rentals

39. The use of a rental car by a Board member or staff will be reimbursed when it is economically reasonable to rent a vehicle rather than use taxis, hired cars, shared ride services or public transportation. Rental car discounts must be used whenever possible and appropriate. If available, a compact vehicle will be requested, unless several Board members and/or staff will be using the vehicle together.
Incidental Business Expenses

40. Incidental business expenses reasonably incurred in connection with OCERS business, such as telephone, fax, Internet access, and similar business expenses, will be reimbursed. Receipts are required for all amounts.

Porterage/Housekeeping

41. Maximum reimbursement for porterage and housekeeping is $5.00 per day (cumulative) of travel. Receipts are not required for porterage or housekeeping expenses.

Excluded Expenses

42. The following expenses will not be reimbursed: Alcoholic beverages, tobacco, in-room movies, barber shop, beauty shop, gifts, magazines, personal telephone calls and mini-bar charges. In the case of a trip longer than five business days or an emergency situation, laundry and dry cleaning expenses will be reimbursed.

43. OCERS will not reimburse or pay for charges for attendance at or participation in networking, social or entertainment type events (e.g., golf, cocktail parties, excursions, outings, etc.) that are in addition to or not included in the general conference registration fee.

Gifts

44. Board Members and certain staff designated in OCERS’ Conflict of Interest Code are prohibited from receiving, and are required to report on their Forms 700, gifts of travel, lodging and meals from third parties over certain amounts. Questions regarding whether the gift can be accepted and gift reporting requirements shall be directed to the Chief Executive Officer or general counsel.

Staff Travel

45. In furtherance of this policy, the Chief Executive Officer shall have discretionary authority to approve staff travel as necessary to carry out the administrative responsibilities of OCERS, such as attendance at legislative meetings or hearings, conducting on-site visits as part of due diligence evaluation of existing and proposed service providers, participating in continuing education programs, and other duties as directed.

Policy Review

46. This policy shall be reviewed every three years by the Governance Committee and may be amended by the Board of Retirement at any time.

Policy History

47. The Retirement Board adopted this policy on December 16, 2002.

Secretary’s Certificate

I, the undersigned, the duly appointed Secretary of the Orange County Employees Retirement System, hereby certify the adoption of this policy.

SUBJECT:    BOARD PERFORMANCE REVIEW POLICY

Recommendation
Discuss the Board Performance Review Policy; and approve, and recommend that the Board of Retirement approve, revisions to the Policy based on the Committee’s discussion.

Background/Discussion
The Board adopted the Board Performance Review Policy (“Policy”) on February 19, 2002, and the Policy was last revised on November 14, 2016. Both the immediate past and current Chairs of the Board have asked that the Governance Committee review the Policy and determine whether the Policy should be retained; and if it is retained, how the process set forth in the Policy can be improved.

Attached is the Policy, which includes the questionnaire that is sent to the Board members every year. The process set forth in the Policy contemplates that every January, the Board Chair will distribute the questionnaire to all members of the Board; and the Board will discuss the results of the survey at the Board meeting in February. The assessment is of the performance of the Board as whole, and not an assessment of individual Board members. In addition, the Chairs of the Governance Committee and Audit Committee are asked to recap their committee’s activities during the year and to comment of the effectiveness of their committees. The Policy permits the Board to employ the services of third party to assist in the Board’s discussion of the performance review.

Staff informally polled the CEOs of 13 CERL and city retirement systems to ask whether the boards of their systems have a self-assessment/self-review process. Ten of 13 systems responded; none currently engages in a board self-assessment/self-review process; two are actively discussing implementing a process, and both of these systems are working with an external board governance consultant for this purpose.

Objectives

1. The objectives of this policy are to provide a process whereby the Board of Retirement may engage in self-review and discussion for the purposes of continuously improving its own effectiveness as a fiduciary body.

Principles

2. Review of the Board of Retirement’s performance is performed most effectively by the Board members themselves.
3. All Board members should participate in the review process.
4. The scope of the review process and any resulting actions should be strictly limited to the operations and decision-making practices of the Board itself. Issues pertaining to the operations of the Retirement System will fall within the scope of other Board policies, such as the Planning Policy and the Chief Executive Officer Performance Evaluation Policy.

Guidelines

Roles and Responsibilities

5. The Board of Retirement will be responsible for the implementation of these procedures.
6. The Chair and Vice Chair will be responsible for coordinating and assisting in the review process.

Procedures

7. In preparation for the review, in January of each year, the Chair will ensure that the Board Performance Review Questionnaire is distributed to each Board member. Board members will complete the questionnaire and return it to either the Chair or to a designated third party within the time frame specified by the Chair.
8. The Board review will be placed on the agenda for the February Board meeting. The Chair will distribute to Board members both comments and observations from the completed surveys to facilitate discussion at the meeting.
9. The Board may employ the services of a third party to assist in the Board’s discussion of the performance review.
10. The Board of Retirement discussions and any resulting actions will be recorded in the minutes of the February Board meeting.

Policy Review

11. The Board of Retirement will review this policy at least once every three years to ensure that it remains relevant and appropriate.
Policy History

12. The Board of Retirement adopted this policy on February 19, 2002.

Secretary’s Certificate

I, the undersigned, the duly appointed Secretary of the Orange County Employees Retirement System, hereby certify the adoption of this policy.

SUBJECT: BOARD AGENDA FORMAT

Recommendation
Discuss the format of the Board’s agenda; and recommend that the Board approve revisions to the format based on the Committee’s discussion.

Background/Discussion
Over the past few months, staff has been exploring with the Board new formats for the Board’s agenda. At the December Board meeting, the Board Chair asked that the Governance Committee review the format of the Board’s agenda and recommend revisions for the Board’s consideration.

The Brown Act (Act) has few requirements regarding the content of agendas for public meetings, and no requirements regarding format. The agenda must contain a brief description (generally limited to 20 words) of each item to be discussed or transacted at the meeting, including items to be discussed in closed session. The Act is clear that discussion items must be placed on the agenda in addition to items that may be the subject of action by the body. The purpose of the brief general description is to inform interested members of the public about the subject matter under consideration so that they can determine whether to monitor or participate in the meeting.

Board Agenda for January 2018 (example)
Attached as an example is the Board agenda for its January 2018 meeting. The changes that were incorporated into this most recent version of the Board’s agenda include:

1. Separate category of Consent Agenda items for matters that require Board action, but for which unanimous approval is anticipated to be by one motion for all matters.
2. Separate category of Action Items for matters that require Board action, for which discussion is expected, for which a separate motion is indicated and for which unanimous approval is not necessarily anticipated.
3. Separate category of Information Items for matters that do not require Board action. Each item specifies whether staff plans to make a presentation or only a written report is contemplated. (Staff will always be available to respond to questions about the written reports.)
4. Action Items precede the Information Items so that the Board’s time is appropriately spent first in connection with matters that warrant discussion and require action by the Board.
5. Public Comment for matters not appearing on the agenda but which are within the subject matter jurisdiction of the Board (acknowledging that no action may be taken by the Board) appears at the end
of the agenda. Staff recommends the Committee discuss moving Public Comment to the beginning of
the agenda. (Note that under the Brown Act, the Board must also give the public opportunity to give
comment in connection with any item on the agenda before the Board takes action on such item.)

6. Consistent with the Board’s adopted Rules of Parliamentary Procedure, the agenda states that Public
Comment will be limited to three minutes per speaker.

Committee Chair Proposed Agenda Format (example)

Also attached is a proposed format for the Board’s agenda prepared by the Chair of the Governance Committee.
You will note on the agenda a category of agenda items titled, “ITEMS RECEIVED TOO LATE TO BE AGENDIZED.”
The Act does allow a body to discuss a matter not included on the agenda under certain limited circumstances.
First, the Act requires that prior to discussing a matter not previously placed on an agenda, the item must be
publicly identified. Next, the body must determine either (1) by majority vote that an emergency situation
exists, or (2) by two-thirds vote of the members of the body present at the meeting (or unanimous vote if less
than two-thirds of the body are present at the meeting) that there is a need to take immediate action and that
the need for action came to the attention of the agency (i.e., including staff) after the agenda was posted.

The Committee Chair also included a few suggestions, as comments, in the attached proposed agenda format.
Among others, these suggestions include:

- Limiting public comment to two minutes.
- Limiting verbal reports by committees to only where a verbal report is required by law.
- Giving members of the body only one opportunity to speak in connection with verbal reports.
- Setting a time certain for adjournment.
