AGENDA

This agenda contains a brief general description of each item to be considered. The Committee may take action on any item listed on this Agenda; however, except as otherwise provided by law, no action shall be taken on any item not appearing on the Agenda. The Committee may consider matters included on the agenda in any order, and not necessarily in the order listed.

OPEN SESSION

- 1. CALL MEETING TO ORDER AND ROLL CALL**
- 2. BOARD MEMBER STATEMENT REGARDING PARTICIPATION VIA ZOOM (IF NECESSARY)
(Government Code Section 54953(f))**
- 3. PUBLIC COMMENTS**

Orange County Employees Retirement System

Personnel Committee Meeting – Agenda

Page 2

Members of the public who wish to provide comment during the meeting may do so by “raising your hand” in the Zoom app, or if joining by telephone, by pressing * 9 on your telephone keypad.

Members of the public who participate in the meeting from the OCERS Boardroom and who wish to provide comment during the meeting may do so from the podium located in the OCERS Boardroom.

When addressing the Committee, please state your name for the record prior to providing your comments. Speakers will be limited to three (3) minutes.

At this time, members of the public may comment on (1) matters not included on the agenda, provided that the matter is within the subject matter jurisdiction of the Committee; and (2) any matter appearing on the Consent Agenda.

In addition, public comment on matters listed on this agenda will be taken at the time the item is addressed.

CONSENT AGENDA

All matters on the Consent Agenda are to be approved by one action unless a Committee Member requests separate action on a specific item.

C-1 PERSONNEL COMMITTEE MEETING MINUTES

MINUTES

OPEN SESSION

Chair Dewane called the meeting to order at 9:03 A.M.

Recording Secretary administered the Roll Call attendance.

Attendance was as follows:

Present: Shawn Dewane, Chair; Roger Hilton, Vice Chair; Richard Oates, Board Member; Charles Packard, Board Member

Also Present: Brenda Shott, Assistant CEO of Finance and Internal Operations; David Kim, Assistant CEO of External Operations; Darren Dang, Chief Technology Officer; Manuel Serpa, General Counsel; Cynthia Hockless, Director of Human Resources; Mark Adviento, Director of Member Services; Melissa Wozniuk, HR Analyst; Sarah Abrahamson, HR Analyst; Anthony Beltran, Audio Visual Technician; Amanda Evenson, Recording Secretary; Julie Lam (Zoom), County of Orange HR Class & Comp. Analyst

CONSENT AGENDA

C-1 PERSONNEL COMMITTEE MEETING MINUTES

Personnel Committee Meeting Minutes August 20, 2025

Recommendation: Approve minutes.

A **motion** was made by Mr. Hilton, **seconded** by Mr. Oates, to approve staff's recommendation to approve the minutes.

The motion passed **unanimously**.

ACTION ITEMS

A-1 INDIVIDUAL ACTION ON ANY ITEM TRAILED FROM THE CONSENT AGENDA

No items were trailed from the Consent Agenda.

Orange County Employees Retirement System
December 3, 2025
Personnel Committee Meeting - Minutes

A-2 OCERS EMPLOYEE POLICY HANDBOOK

Presentation by Cynthia Hockless, Director of Human Resources, and Manuel D. Serpa, General Counsel, OCERS

Recommendation: Approve and recommend that the Board approve the updated OCERS Employee Handbook as presented.

Ms. Hockless presented an overview of the OCERS Employee Policy Handbook updates.

Mr. Serpa clarified that the list of policies applicable to both OCERS Direct and County employees is correct as stated in the memo. While a parenthood leave policy exists for County employees and OCERS Direct employees, the County oversees the policy for County employees.

At the direction of the Committee, the provision for “incentive pay” contained in the Compensation Policy was removed as redundant with the new Lump Sum Bonus Policy.

After discussion, a **motion** was made by Mr. Hilton, **seconded** by Mr. Oates, to approve and recommend that the Board approve the updated OCERS Employee Handbook with changes directed by the Committee.

The motion passed **unanimously**.

A-3 ADOPTION OF THE CHIEF TECHNOLOGY OFFICER (CTO) CHARTER

Presentation by Darren Dang, Chief Technology Officer, OCERS

Recommendation: Approve and recommend that the Board adopt the Chief Technology Officer (CTO) Charter, formalizing the executive position approved by the Board on October 21, 2024.

After discussion, a **motion** was made by Mr. Hilton, **seconded** by Mr. Packard, to approve and recommend that the Board adopt the Chief Technology Officer (CTO) Charter as presented.

The motion passed **unanimously**.

INFORMATION ITEMS

I-1 UPDATE ON OUTREACH REGARDING EMPLOYER DATA

Presentation by Mark Adviento, Director of Member Services, and David Kim, Assistant CEO of External Operations, OCERS

I-2 UPDATE ON THE COUNTY'S CLASSIFICATION MAINTENANCE STUDY PROCESS

Presentation by Cynthia Hockless, Director of Human Resources, OCERS

Ms. Hockless provided an overview of the county's Classification Maintenance Study, outlining the study process and the five key steps involved. She noted that the Committee will receive regular updates as the study progresses; however, final approval of the study's results will rest with the County Board of Supervisors. Ms. Hockless also explained that any salary recommendations may be absorbed within the current budget, or, if needed, a recommendation will be brought forward to the Board for a budget amendment.

Orange County Employees Retirement System
December 3, 2025
Personnel Committee Meeting - Minutes

I-3 OCERS DIRECT COMPENSATION STUDY

Presentation by Cynthia Hockless, Director of Human Resources, OCERS

Ms. Hockless presented an overview of the upcoming compensation study and the anticipated project timeline. The study will begin with each department reviewing its job descriptions, followed by the issuance of a Request for Proposals (RFP) in the first quarter. In the second quarter, a consultant will be selected to launch the study formally. Ongoing updates will be provided to the Personnel Committee throughout the process, with a tentative review scheduled for August 2026. The Committee will be consulted to approve the peer groups used to benchmark OCERS Direct salaries. Any approved salary adjustments will be incorporated into the FY 2027 annual budget.

Ms. Hockless also shared the results of an internal review, which revealed inconsistent market alignment across several classifications, warranting a broader, comprehensive study to address these disparities. It was confirmed that the last full compensation study was conducted in 2019 and implemented in 2020. Following policy, the CEO initially requested an internal review; however, based on the findings, he has now directed that an external HR consultant conduct a broader compensation study.

Ms. Shott noted that the compaction/compression between the different levels within the organization will be addressed in the compensation study as well.

COMMITTEE MEMBER/CHIEF EXECUTIVE OFFICER/COUNSEL/STAFF COMMENTS

None.

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Cynthia Hockless, Director of Human Resources
SUBJECT: TRIENNIAL REVIEW OF THE PERSONNEL COMMITTEE CHARTER

Recommendation

Approve and recommend that the Board approve the revisions to the Personnel Committee Charter.

Background/Discussion

In 2018, the Board formed the Personnel Committee to assist the Board by reviewing, amending, and recommending new personnel policies and procedures, and advising the Board with respect to compensation and benefits issues, affecting OCERS employees. This charter was adopted by the Board of Retirement on March 18, 2019, and revised on June 19, 2023.

The Personnel Committee Charter will be up for a triennial review on June 18, 2026.

On February 17, 2026, the Committee will review the charter, and any recommended amendments will go to the Board for approval to ensure that the charter remains relevant and appropriate.

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Cynthia Hockless, Director of Human Resources
SUBJECT: UPDATE ON THE CURRENT STAFFING PLAN

Information Only

As the conclusion of the **2025 calendar year** (Pay Period 26), the following staffing metrics were recorded for OCERS:

- **148** budgeted positions
- **140** employees on payroll
- 5% vacancy rate (8 vacancies)
- 9% turnover rate (12 separations)

During 2025, the Human Resources Department successfully completed a total of **58** recruitment activities, including:

- **24** internal promotions
- **21** new hires
- **10** external limited-term
- **2** interns
- **1** extra help

As of January 23, 2026, OCERS continues to maintain workforce stability, with turnover and vacancy rates remaining comparatively low. Recent staffing activity includes:

- **5** recruitment activities completed
- **3** employee separations, consisting of:
 - **2** retirements
 - **1** separation due to relocation out of state for new employment

At the start of 2026, OCERS reported the following staffing metrics:

- **150** budgeted positions
- **139** employees on payroll
- 7% vacancy rate (11 vacancies)
- 2% turnover rate (3 separations)

Staffing efforts remain closely aligned with agency priorities and operational needs. A verbal update will be provided at the Personnel Committee meeting scheduled for **February 17, 2026**.

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Cynthia Hockless, Director of Human Resources
SUBJECT: UPDATE ON THE COUNTY'S CLASSIFICATION MAINTENANCE STUDY

Information Only

The OCERS Board approved the review of County Job classifications located at OCERS using the County of Orange's Classification Maintenance study process. The final approval of group one is anticipated to take place in June 2026, by the Orange County Board of Supervisors.

The Classification Maintenance Study Process consists of five structured steps designed to ensure job classifications, compensation structures, and staffing levels align with current organizational needs, market conditions, and Board-approved policies.

This study will evaluate one group at a time. The initial phase encompasses five classifications, representing 44 of OCERS's total 77 County positions, or approximately 60%.

The following outlines the five classifications in the first group, together with the corresponding number of incumbents assigned to each classification:

1. Retirement Benefits Technician - 4
2. Retirement Program Specialist - 6
3. Senior Retirement Program Specialist - 7
4. Retirement Benefits Program Supervisor - 23
5. Disability Investigator - 4

OCERS is currently progressing through **Step 3: Market Study.** In the current phase, the County's Class & Comp team is conducting a comparative analysis of similar public agencies to establish appropriate market benchmarks, reviewing existing salary ranges, and analyzing the market data.

Once Step 3 is complete, OCERS will transition into **Step 4: Recommendation and Approval.** During this phase, the County will meet with OCERS CEO and Assistant CEO's as well as the applicable labor unions to review the County's recommendations before submitting them to the County Board of Supervisors for final approval.

Below is a summary of the **five steps** of the process:

Step 1: Study Initiation

- A kickoff meeting with County Human Resource Services (HRS) Classification & Compensation, OCERS HR, and Subject Matter Experts.
- Establish timelines, methodology, and process expectations.
- Identify and assign employees and supervisors to complete Position Description Questionnaires (PDQs) and Position Classification Information Questionnaires (PCIQs).

Memorandum

Step 2: Job Analysis

- Review the completed PDQs and PCIQs.
- Evaluate classification structure and staffing levels.
- Review historical and current data related to vacancy rates, retention, and recruitment trends.
- Develop proposed updates to class specifications and classification structure.

Step 3: Market Study – Current Phase

- Researching comparable public agencies to identify appropriate benchmarks.
- Reviewing pay ranges, premium pays, and MOU-approved increases.
- Summarizing market and recruitment data to propose updated compensation recommendations.

Step 4: Recommendation & Approval

- Submit final class specifications, market study findings, and cost impacts to Department HR for review.
- Coordinate with labor organizations for concurrence.
- Present recommended changes to the Board of Supervisors for approval.

Step 5: Communication & Implementation

- Finalize class specifications, pay ranges, and position changes.
- Communication of approved changes to impacted employees.
- Assist departments throughout the implementation process.

Verbal updates will be provided to the Personnel Committee as OCERS advances through each phase of the study.

1. Retirement Benefits Technician - 4
2. Retirement Program Specialist - 6
3. Senior Retirement Program Specialist - 7
4. Retirement Benefits Program Supervisor - 23
5. Disability Investigator - 4

The first group represents 44 or about 60% of the 77 County employees employed at OCERS.

Orange County Employees Retirement System

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Mark Adviento, Director of Member Services, and
David Kim, Assistant CEO, External Operations
SUBJECT: UPDATE ON OUTREACH REGARDING EMPLOYER DATA

Background/Discussion

This item provides an update on OCERS' continued efforts to strengthen the accuracy, consistency, and accountability of employer-submitted payroll and member data, in alignment with Board direction and in preparation for transitioning to the new Pension Administration System (PAS).

Employer Handbook

In late December 2025, OCERS issued the Employer Handbook (Handbook), which serves as the technical reference for payroll transmittals and employer reporting standards. Staff has received responses from all employers, including the County of Orange. The County of Orange provided additional detailed feedback that is currently under review and will be incorporated into the Employer Handbook, as appropriate, to further clarify reporting expectations and support consistent employer compliance.

Enhanced Payroll Exception Reporting

The Employer Payroll team, in partnership with IT, is overseeing the development of a new set of enhanced payroll exception reports designed to improve the identification and resolution of common data issues. These reports build upon existing exception monitoring tools and are intended to more effectively detect conditions such as discrepancies in pensionable compensation, incorrect member status, and contribution-related variances over both current and cumulative reporting periods.

To support consistent and timely use of these tools, staff is working with IT to develop an automated delivery process and is preparing internal procedures for generating, reviewing, and sharing the reports with employers. Once implemented, OCERS plans to provide targeted training to employers to explain how these enhanced reports differ from prior versions and how they can be used to proactively address data quality issues.

Data Policy and Fee Methodology Development

Staff continues to develop a fee methodology to address repeated or significant employer reporting variances that require additional administrative resources. This methodology is intended to be incorporated into the Board's Data Policy and will be shared with employers in advance of formal consideration. The County of Orange has expressed strong interest in this effort, and staff anticipates continued employer engagement as this framework is refined.

Next Steps

- Incorporate employer feedback into the Employer Handbook, as appropriate.
- Finalize and deploy enhanced payroll exception reports and automated delivery processes.

- Develop and conduct employer training on the use of the enhanced reports.
- Continue development and employer outreach related to the proposed fee methodology for inclusion in the Board Data Policy.

Assistant CEO, External Operations

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Cynthia Hockless, Director of Human Resources, OCERS
SUBJECT: PERSONNEL COMMITTEE WORK PLAN AND MEETING SCHEDULE FOR 2026

This memorandum provides the Personnel Committee with the proposed work plan and meeting calendar for 2026. At the February 17 meeting, the Committee will have the opportunity to review, discuss, and approve or modify the plan.

2026 Work Plan for the Personnel Committee

Meeting Dates:

1. Tuesday, February 17, 2026
2. Wednesday, May 06, 2026
3. Monday, August 31, 2026
4. Wednesday, October 07, 2026

February 17, 2026 - Meeting Agenda Items:

1. Triennial Review of the Personnel Committee Charter
2. Update on the Current Staffing Plan
3. 2026 Personnel Committee Work Plan

May 6, 2026 - Meeting Agenda Items:

1. Triennial Review of the CEO Performance Evaluation Policy

August 31, 2026 - Meeting Agenda Items:

1. 2027 Staffing Plan Preview

October 7, 2026 - Meeting Agenda Items:

1. 2027 Staffing Plan

Ongoing Updates:

1. County's Classification Maintenance Study
2. OCERS Direct Compensation Study
3. Outreach Regarding Employer Data

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Cynthia Hockless, Director of Human Resources
SUBJECT: 2025 PERSONNEL COMMITTEE REVIEW OF ACTIVITIES

Written Report

Background/Discussion

This report summarizes the Personnel Committee's activities from the prior year to help new Committee members become familiar with discussions and topics addressed in 2025, while also serving as a refresher for continuing members.

During the 2025 Personnel Committee meetings, the Committee discussed the following topics: the Pension Administration System (PAS) project; the transition to a fully OCERS-employed workforce as a single agency; the Chief Information Security Officer (CISO) career ladder; the 2026 Staffing Plan; the Chief Technology Officer (CTO) Charter; the OCERS Employee Policy Handbook; the County's Classification Maintenance Study; and the upcoming OCERS Direct Compensation Study.

Pension Administration System (PAS) Project Staffing Needs

On April 02, 2025, staff presented the initial temporary staffing needs for the new Pension Administration System (PAS) project. This included the employee cycle workflow, the 2025 budgeted headcount, employment types, and the estimated budget impact. The total estimated personnel cost for the limited-term positions was to be absorbed into the then-current approved budget and was not expected to impact the 2025 annualized budget. Other departments were expected to need Subject Matter Experts (SMEs) pulled from their daily work, which would likely result in additional limited-term requests later in the project. The Committee had approved and recommended that the Board approve the following twenty-two (22) limited term requests to the Member Services and Disability departments in preparation for the Pension Administration System (PAS) project implementation: one (1) Member Services Manager position, three (3) Member Services Supervisor positions, four (4) Senior Retirement Program Specialist positions, eight (8) Retirement Program Investigators, five (5) Accounting Technicians, and one (1) Disability Retirement Specialist.

At the April 21, 2025, Regular Board meeting, the Board had approved the limited-term staffing request.

Moving the Workplace to be 100% Employed by OCERS as a Single Agency

On June 25, 2025, staff presented an update on efforts to move the workplace to 100% employment by OCERS as a single agency. The Committee directed staff to recommend that the Board direct staff to halt the pursuit of legislation to move County employees to OCERS direct and to pursue working with the County to make OCERS County classifications OCERS-specific. Mr. Barfield from OCEA presented the results of the staff interest survey regarding the potential transition of County employees to become OCERS direct. Overall, only 38% of County employees expressed support for moving to OCERS direct. However, all agreed that the process of moving County employees to direct should stop.

Staff confirmed that the Gallagher study would serve as a starting point for future discussions with the County regarding modifying County employees' job descriptions to better align with their OCERS duties.

Chief Information Security Officer (CISO) Career Ladder

The Committee approved and recommended that the Board approve the creation of a career ladder for the Director of Information Security to the Chief Information Security Officer (CISO).

Compensation Policy

The Committee adopted and recommended that the Board adopt the revisions to the Compensation Policy, excluding draft sections 14–20, "Salary Compaction Mitigation." Staff was directed to continue working on the language, which was later decided to be reviewed during the OCERS Direct Compensation study while working with the HR Consultant.

PAS Project Staffing Needs Phase II

As a part of phase II of the PAS project staffing plan, the Committee approved and recommended that the Board approve eight (8) limited-term positions to be budgeted with the 2026 Phase Staffing Plan. This included a request for the Disability, Member Services, Finance, and Information Technology departments in preparation for the PAS implementation. At the July 21, 2025, Regular Board meeting, the Board approved all the above recommendations as part of the consent agenda.

During the Phase I PAS presentation, the Personnel Committee approved 22 limited-term positions. Phase II added 8 positions, bringing the total approved to 30 limited-term positions.

For 2026, the budget includes 23 of the 30 approved limited-term positions. Staff expect the remaining seven may be needed and will return to the Committee if additional positions beyond the approved 30 are required to support the project.

The limited-term PAS project positions will be capitalized under the PAS budget.

2026 Staffing Plan

On August 20, 2025, staff presented the 2026 staffing plan. Staff discussed the concept of career ladders, emphasizing their role in employee retention and professional development by providing clear pathways for progression. Over the past 10 years, OCERS has established 19 career ladders, achieving an 84% retention rate for those positions. Career ladders are intended to retain individuals with specialized skill sets by offering structured growth opportunities. Staff also explained that career ladders provide advancement opportunities for high-performing employees who are otherwise limited by their current job classifications.

The Committee approved and recommended that the Board approve the creation of four (4) new career ladders and one (1) new career ladder series as follows: two (2) career ladders in the Investments division, one (1) career ladder in the Disability department, one (1) career ladder in the Human Resources department, and one (1) career ladder series in the Enterprise Project Management Office (EPMO). At the October 20, 2025, Regular Board meeting, the Board approved the 2026 staffing plan.

OCERS Employee Policy Handbook

On December 3, 2025, staff presented an overview of the OCERS Employee Policy Handbook. At the direction of the Committee, the provision for "incentive pay" contained in the Compensation Policy was removed as redundant with the new Lump Sum Bonus Policy. The Committee approved and recommended that the Board approve the updated OCERS Employee Handbook with changes directed by the Committee.

Chief Technology Officer (CTO) Charter

The Committee also approved and recommended that the Board adopt the Chief Technology Officer (CTO) Charter, formalizing the executive position approved by the Board on October 21, 2024. An overview of the Charter was presented, highlighting the key duties and responsibilities. The Committee was also reminded that the CTO oversees the Chief Information Officer and the Director of Information Technology.

County's Classification Maintenance Study

Staff presented an overview of the County's Classification Maintenance Study, including the study methodology and the five key steps in the process.

The Committee will receive regular progress updates throughout the study; ultimately, the County Board of Supervisors has the authority to approve the final outcomes. Any salary recommendations developed from the study may be addressed within the current budget framework or, if required, submitted to the Board for evaluation through a formal budget amendment process. Additionally, the OCERS Board approved the County of Orange's use of the Gallagher study, which will follow the County's established review process and be subject to approval by the County Board of Supervisors.

OCERS Direct Compensation Study

Staff presented an overview of the upcoming OCERS direct compensation study and the anticipated project timeline. The study will begin with each department reviewing their job descriptions, followed by the issuance of a Request for Proposals (RFP) in the first quarter. In the second quarter, a consultant will be selected to formally launch the study. Ongoing updates will be provided to the Personnel Committee throughout the process, with a tentative review scheduled for August 2026. The Committee will be consulted to approve the peer groups used to benchmark OCERS Direct salaries. Any approved salary adjustments will be incorporated into the FY 2027 annual budget. Staff also shared the results of an internal review, which revealed inconsistent market alignment across several classifications, warranting a broader, comprehensive study to address these disparities. It was confirmed that the last full compensation study was conducted in 2019 and implemented in 2020. Following policy, the CEO initially requested an internal review; however, based on the findings, he has now directed that an external HR consultant conduct a broader compensation study.

Memorandum

DATE: February 17, 2026
TO: Members of the Personnel Committee
FROM: Cynthia Hockless, Director of Human Resources
SUBJECT: OCERS DIRECT COMPENSATION STUDY

Written Report

Under the OCERS Compensation Policy, the CEO is required to review Board-approved salary ranges at least every three years and report results to the Board.

As part of this requirement, staff previously conducted an internal review comparing six OCERS classifications across seven peer retirement systems. That analysis showed OCERS salaries to be generally competitive, falling largely within the mid-to-upper range of the market.

While informative, the internal review also highlighted variations in competitiveness across classifications. Based on those findings, OCERS has moved forward with a comprehensive, agency-wide compensation study.

The broader study is now underway, beginning with a review of job descriptions and the drafting of the RFP to engage an external compensation consultant.

Below is the anticipated timeline for the study. Staff will continue to keep the Committee informed of the progress and will request guidance as needed throughout the study.

2026 Timeline for OCERS Direct Compensation Study

- **Current Phase: Departmental Job Description Review:** Departments are updating job descriptions for accuracy.
- **Current Phase: Issuance of RFP:** An HR Consultant RFP is scheduled for release in late February or early March and is currently being drafted and reviewed by the Operations Support Services team.
- **Initiation of Consultant Project Engagement:** Work will begin with the selected consultant in the second quarter of 2026.
- **Ongoing Updates:** Progress updates will be provided to the Personnel Committee throughout the study.
- **Personnel Committee Review:** A comprehensive update will be prepared by the hired Consultant for the Personnel Committee by the fourth quarter.
- **Budget Integration:** Any recommended salary adjustments will be incorporated into the FY 2027 budget and approved by the Board.

A detailed description of the services, tasks, deliverables, responsibilities, and expectations that a selected consultant will be required to perform is outlined in the attached scope of work.

Memorandum

1. OCERS Classification and Compensation Scope of Work

Submitted by:

Cynthia Hockless
Director of Human Resources

Exhibit B**Scope of Services**

The Orange County Employees Retirement System ("OCERS") is issuing this Request for Proposal to solicit proposals from qualified Human Resources consultants to conduct a comprehensive compensation study for sixty-seven exempt level employees of the agency. The analysis should include:

1. An understanding of OCERS' compensation and benefit programs, performance management and merit adjustment practices, competitive position and job content.
2. Meeting with OCERS team leaders to finalize the list of comparable public agencies to be used in the survey.
3. Evaluation of OCERS current total compensation package: Compare OCERS compensation packages and compensation adjustment practices with other California retirement agencies as well as other comparable entities that would compete for the same level talent by position.
4. The total compensation should include the total value of the two retirement plans offered. (1) Classic member with a retirement formula of 2.7% at 55 and (2) PEPRA member with a retirement formula of 2.5% at 67.
 - a. The comparison of total compensation for each job classification should include valuing the work performed by each position. Comparable positions at other agencies should be selected by using job duties, responsibilities and education, skills and experience requirements of each position. Meet with OCERS to finalize the comparable positions selected for each job classification.
 - b. Review background materials including organizational charts, personnel rules employment agreements, summary plan documents for health, dental vision, deferred compensation, life, time off provisions and the employee and employer cost related to this information.
 - c. Review current job descriptions, pay ranges, additional compensation components, and all benefits that comprise the total compensation of each job classification. Develop a benefits valuation analysis that is incorporated into the evaluation of total compensation.
 - d. Conduct employee interviews as needed.
5. Perform an impact analysis: Compare the current total compensation packages for OCERS positions for each incumbent to public benchmark data for desired market position. For positions where the incumbent receives pension benefits that were offered prior to the effective date of California's Public Employee Pension Reform Act (PEPRA - 1/1/2013) also provide an impact analysis for a scenario where an individual is hired with a PEPRA pension benefit.
6. Provide written recommendations - for competitive compensation packages when compared to other California retirement agencies as well as other comparable entities that would compete for similar level talent and skill sets.
 - i. The report should include equitable compensation package recommendations for each classification included in the study. The recommendations should include a breakdown between base salary, incentives/bonuses, additional compensation

components and benefits. The base salary recommendation for each position should include a minimum, midpoint and maximum rate of pay.

- ii. Recommendations should take into consideration future growth of the agency and operating structures in to be competitive.
 - iii. Provide recommendations on effective methods of plan administration and adjusting individual pay rates (i.e. merit adjustments, cost of living) and pay ranges moving forward.
 - iv. Provide recommendations on alternative compensation or benefit components that could achieve a total compensation package that is competitive with the selected peer group.
 - v. Identify the methods, techniques and data used to develop the recommendations.
 - vi. Clearly address compensation factors ensuring OCERS' ability to attract, retain and motivate its employees while considering internal equity and balance and meeting the organization's responsibility to be accountable for and efficient in its expenditure of public funds.
 - vii. The selected consultant shall conduct a comprehensive analysis of employee compensation that explicitly evaluates both pay compaction and pay compression for the Agency's exempt workforce.
 - viii. Pay compaction analysis shall evaluate salary relationships across classifications and levels, including range overlap, supervisory and hierarchical differentials, and progression between job levels.
 - ix. Pay compression analysis shall assess salary relationships within classifications, including differences based on tenure, experience, and time in class, and shall identify the extent and impact of compressed pay relationships.
 - x. Pay compression analysis shall assess salary relationships within classifications, including differences based on tenure, experience, and time in class, and shall identify the extent and impact of compressed pay relationships
 - xi. The selected consultant shall produce documented results for each analysis, clearly distinguishing compaction issues from compression issues, and shall summarize the implications of each for internal equity, recruitment, and retention in a public-sector context.
 - xii. The selected consultant should outline the approach to remediating compaction and compression, including structural adjustments, range redesign, targeted increases, or phased implementation strategies, with estimated cost impacts
 - xiii. Implementation guidelines on how to communicate the recommended structure and plan to managers, employees, board members and other stakeholders
7. The consultant must provide a draft report to OCERS for comment prior to finalizing the report.
8. Provide the data used for comparable positions considered in making recommendations
9. Present draft results of the survey to OCERS management in a group meeting.

10. Consultant to attend meetings throughout the process with OCERS staff to explain methodology, survey results, and recommendations. The Consultant should budget for two on-site Board meetings and three meetings with OCERS project team, which will include one kick-off meeting.

Draft
