¹ This type of pay has been changed to NOT Pensionable for both PEPRA and LEGACY members as a result of the Alameda decision. Pay Items must pass additional 3 prong test to be Pensionable / Comp Earnable.

² Based on the legal criteria, the pay is Compensation Earnable, however, the pay code will be configured in OCERS Pension Administration System (V3) so there will be no contributions expected on these pay items. All applicable pay will be reconciled, as appropriate, at the time of retirement.
