FOOTNOTES:

¹ This type of pay has historically been Compensation Earnable. Amendments to the definition enacted as part of PEPRA potentially alter that classification. A final determination will be made after pending litigation regarding PEPRA is resolved.

² Based on the legal criteria, the pay is Compensation Earnable, however, the pay code will be configured in OCERS Pension Administration System (V3) so there will be no contributions expected on these pay items. All applicable pay will be reconciled, as appropriate, at the time of retirement.
