Question	Response
<p>1. Good morning, regarding the Q&A deadline of 5/30/2025, please can we request this be extended for a week to enable us to do a thorough analysis of the requirements?</p>	<p>Thank you for your inquiry. Unfortunately, we are unable to extend the deadline. OCERS has established milestones and project goals that are dependent on a fixed schedule, and as such, the question submission deadline must remain unchanged. We appreciate your understanding.</p>
<p>2. Is Mr. Doezie willing to accept a document with multiple questions or are we to enter each question into this tool individually?</p>	<p>Kindly enter each question separately into Planetbids</p>
