Purpose and Background

1. The Quiet Period Policy is intended to establish guidelines by which Board Members and OCERS staff are permitted to communicate, during the process leading to an award of any contract by OCERS, with any party financially interested in the contract.

Policy Objectives

2. The objectives of the policy are to ensure that:
   a. Potential service providers competing for a contract with OCERS (also referred to as candidates) have equal access to information regarding the search parameters and selection and award processes;
   b. Communications related to the search, selection and award of the contract are consistent and accurate; and
   c. The search, selection and contract award processes are efficient, diligent, and fair.

Policy Guidelines

3. The following guidelines will apply during the process leading to an award of any contract by OCERS:
   a. A quiet period will commence upon the release/publication of a solicitation for a contract with OCERS and will end when a contract is signed;
   b. To help prevent inadvertent violations of this policy, the CEO (or his or her designee) will ensure that for every solicitation, the initiation, continuation and conclusion of the quiet period is (i) communicated to Board Members and OCERS staff, (ii) publicly communicated, and (iii) published on OCERS' website;
   c. Except as provided in section h., below, during the quiet period, Board Members and OCERS staff shall not knowingly communicate with any party financially interested in any prospective contract with OCERS regarding the contract, the services to be provided under the contract or the selection process;
   d. During the quiet period, if any Board Member is contacted by a party financially interested in a prospective contract with OCERS, the Board Member shall refer the party to the OCERS consultant or staff member identified as the contact person(s) in the solicitation document;
   e. Any authority related to a search conducted by the Board shall be exercised solely by the Board as a whole, and not by individual Board Members;
   f. Any information related to a search conducted by the Board shall be communicated by OCERS consultants and staff to the Board as a whole, and not to individual Board Members;
   g. The quiet period does not prevent Board approved due diligence or client conference attendance; however discussions related to the pending solicitation shall be avoided during those activities;

   (iv) incidental, exclusively social and that do not involve OCERS or its business; or
   (v) within the scope of the Board or staff member’s private business or public office wholly unrelated to OCERS and that do not involve OCERS or its business;

i. The provisions of this policy will be communicated to candidates in the solicitation document and candidates will be required to acknowledge the receipt and requirements of the policy; and
