Dear Future Retiree:

Congratulations! You have reached a major achievement in your career, Retirement. Now you will have the time to do what is most important to you. The Retired Employees Association of Orange County (REAOC) was created to protect your hard-earned benefits, provide supplemental insurance, and promote the social well-being of our retirees. We have over 6,500 members and now it is more important than ever that you join.

The world is changing due to the novel Coronavirus Pandemic and retirees must stay vigilant to protect what we earned while providing years of service to the public. Besides benefit protection REAOC offers retiree group insurance including dental, vision, travel, legal and a variety of other insurance coverages at competitive pricing. REAOC publishes a newsletter, *The Informer*, five times a year covering articles regarding important retiree issues and benefits. REAOC also maintains a vibrant website, www.reaoc.org, where we post critical information and send e-mail blasts to our members. Membership luncheons are held five times a year in both Fountain Valley and Hemet and are well attended. Membership dues are \$3.00 per month and are made via payroll deduction.

We hope you will join REAOC to help protect all County retirees, to stay informed and be connected. Our membership application will be included in the electronic package you receive from the Orange County Employees Retirement System (OCERS). There is strength in numbers. We sincerely hope you will join us, now. Take care and be well.

Sincerely,

Linda Robinson
